*“Just a few words to thank you for the amazing job you did as a model manager for us with the Most Intriguing Man in IT gig in Las Vegas. You totally proved yourself as a one-woman talent mine. All the choices you made for the 10 models were perfect and everyone nailed their roles. Everything came out great – wardrobe, accessories and especially all your performances. Not to mention staying within our budget. We were the talk of the show and we couldn’t have done it without you MOJO!”* **Greg G. – EMC Corporation – VM World**

*“Thanks again for booking MOJO on such short notice. Our workshop was very successful. Melissa Hunter (MOJO) is just a super, fabulous gal! We all enjoyed meeting and working with her.
