Customer service oriented applicant. I am looking to advance the wealth of happiness to the world. I can be taught anything and learn rather quickly. My main goal is to acquire a position that I may not only be happy with but also grow exponentially not only myself but those around me as well.

Willing to relocate: Anywhere
Authorized to work in the US for any employer

Work Experience

Project Management

Elite Storage Products
February 2018 to October 2019

As project manager I would receive contracts for our established projects. My main goal would be to read, establish terms, sign, send to customers, retrieve executed contracts back, and file accordingly. I would make contact with clients to set up dates for installation needs. Acquire goals for our department to meet within our budgeting needs. I maintained cash flow on hand to distribute weekly per diem for our teams to go on the road for installations.
