## STEWARDESS

Availability - Augustus 2025

I am driven and adaptable, with a strong background in hospitality and guest service. My experience in multicultural environments has refined my communication and leadership skills, which I apply to both onboard and shoreside operations. Most recently, I served as Sole Stew/Deck for 10 months, overseeing all aspects of interior service, guest care, financial reporting, and crew recruitment. I also supported deck operations, including washdowns, engine room tasks, waxing, and provided light cooking, laundry, and service when guests/Owner were onboard. Additionally, I worked remotely for the yacht owner's startup company as a Project Manager.
